are given in the answer to question 109 (a) asnwered in this Council.

(b) The Society has appointed a Manager to look after the needs and welfare of the residents of the Colony. The Manager is residing at Chalakkudi.

(c) Their well-known sympathy with the depressed classes and an earnest desire to improve their condition.

(d) None of the members are non-Hindus or belong to non-caste Hindu communities.

(e) The members are now residing in Calicut, Ernakulam and Trippunittura.

(f) There is the Manager at the spot to look after the daily needs of the Pulayas. The members also inspect the Colony occasionally.

(g) There were 36 families in the Colony four years back. The exact number of persons dwelling in the Colony then was not recorded. There are now 166 Pulayas in the Colony.

(h) Vide answer (g). Since the management was taken over by the Society, the number has risen from 162 to 166.

The Narakkal Pulaya Colony.

Mr. POULO MAMPILLI.

301. Will the Government be pleased to state the number of Pulaya houses at the Narakkal Pulaya Colony and the money spent on it? In view of the fact that it is not used by the Pulayas, will the Government be pleased to set apart the same for better use?

DIWAN BAHADUR Dr. V. VERGHESE.

The Colony is leased out individually to 57 Pulayas on a royalty cess of 6 pies per head per year. A sum of Rs. 1,000 and odd was spent on the Colony; one of the Pulayas has constructed a hut; and nine others have fenced their plots and planted cocoanut trees and tapioca. It is hoped that the other Pulayas will follow the example.

The Report of the Committee appointed for the Sanitary Survey of the State.

Mr. A. EACHARA MENON.

302. Will the Government be pleased to place on the table the Report of the Committee appointed for a Sanitary Survey of the State on 22nd December 1914 and the orders of the Government thereon?
